Liberal Democrats

Listening, Caring and Working for you all year round across Shenley Brook End, Shenley Lodge, Emerson Valley and Furzton

Published and promoted by Richard Greenwood on behalf of Saleena Raja (Liberal Democrats) all at Flat 1, 19 Cicero Crescent, Milton Keynes, MK11 4BJ. Hosted by Prater Raines.

ELECTION SPECIAL! ON 2 MAY VOTE FOR SALEENA RAJA!

Saleena Raja is our candidate in the elections to MK City Council on Thursday 2 May 2024

Saleena Raja is a genuine local champion who works hard for residents across our area all year round.

Saleena has been working hard to look after the community across Shenley Brook End, Shenley Lodge, Emerson Valley and Furzton for several years. Peter Cannon and Sophie Bell were both delighted when she decided to join the Focus Team last year.

Peter said, "Saleena Raja has always worked well with everyone, always putting residents first. We were glad when she decided to join the Liberal Democrats and our Focus Team. Her values and the priority she puts on supporting the community match ours".

Every vote counts in our area!

Last year we only beat the Conservatives by 4 votes in elections to MK Council in Shenley Brook End ward!

People are getting behind Lib Dem Saleena Raja and the Focus Team to beat the Conservatives again this year.

Remember Labour have only ever come third in our area.

Lib Dem Wheelie Good Success!

Lib Dems are committed to keeping weekly black bin collections.

Saleena Raja and the Liberal Democrats are committed to making sure black bins continue to be collected every week in Milton Keynes.

Saleena Raja was delighted to hear that since the new bins were introduced, the amount going correctly for recycling increased, and less is going into black waste.

In addition it has ended the problem many areas had where wildlife tore open black sacks and scattered waste around.

Saleena and other Lib Dems have committed to keeping weekly black bin collections in Milton Keynes.

The Conservative run councils in Northamptonshire, Bedfordshire and Bucks all ended weekly black bin collections. Tory run councils give worse services to residents.

Pothole Repairs in SBE

After being chased by the Focus Team, MK Council have finally repaired a number of potholes which had been causing problems on Bletchley Road in Shenley Brook End.

New Shenley Brook Rec Bench

New bench added to SBE rec using grants from Peter and Sophie

Saleena Raja checking on the new bench in SBE, installed by the Parish Council using councillor grant funding from Sophie Bell and Peter Cannon

Thank you to the Parish Council which recently added a new bench by the castle play ground in the Shenley Brook End Recreation Ground. Funding for the bench came from **Sophie Bell** and **Peter Cannon's** MK councillor ward budgets.

Saleena Raja was contacted by residents who told her there was nowhere to sit while their children played at the park. **Saleena** was delighted she was able to get the bench installed once funding was secured with **Sophie** and **Peter's** help.

Furzton Pothole Repair

The pothole next to the speed bump on **Loxbear Drive** in **Furzton** has now been repaired, after **Saleena Raja** and the Focus Team chased the city council for the fix.

Bring photo ID to vote!

Remember you now need photo ID like a driving license or passport to vote at a polling station. Out of date ID can still be used as long as the photo is still a good likeness.

For more information go to the MK Council website, including how to apply for a 'VAC' if you have no photo ID: www.milton-keynes.gov.uk/voter-id

NO FOULING!

Following reports from residents about dog fouling getting worse in parts of the ward, Saleena Raja has been out putting up "No Dog Fouling" stickers.

If walking a dog please make sure you remember to take bags so you can put any poo in one of the many red dog poo bins across the area.

Shenley Lodge Basketball Court Line Repainting

Saleena Raja heard from residents that lines on the basketball court in **Edison Square** in **Shenley Lodge** have heavily faded.

Saleena arranged for the Parish Council to repaint the lines, which will happen when the rain stops for long enough! Thank you to **Peter Cannon** and **Sophie Bell** for funding the repainting using their councillor ward budgets.

A positive plan for MK!

Peter Cannon, Sophie Bell and the other Lib Dem councillors on MK Council are working to make Milton Keynes **fairer, cleaner, greener and safer**.

If elected on 2 May, **Saleena Raja** will be able to work with **Peter, Sophie** and the other Lib Dems to deliver a positive future for our city, and do even more for our local area.
